

Château Croix de Labrie 2016

Saint-Émilion Grand Cru

Jancis Robinson MW: 17.5 Pts / 95 Pts

"Deep, dark crimson. Colour right out to the rim. Intense but lively nose. Very ripe and luscious but with energy. Great stuff! Really very accomplished. Obviously very carefully made - essence of the appellation with dried but not drying fruit character and lots of luscious plumminess. Masses of tannin almost completely hidden by the dramatic but precise fruit. Very successful."
