Izak Litwar : 96+ Points

Croix de Labrie - 97% Merlot + 3% Cabernet Sauvignon This wine or should I call it baby wine started a bit mute but after 15 minutes in a carafe, it turned afterburners on! Deep and intense nose of black fruit (blueberries/blackberries with great flair, concentrated and seamless on the palate Voluminous with great complexity and long fruity finish Seamless so you can't feel the tannin Alcohol? Where is it? Completely «eaten» or packed in or integrated/masked by fruit This is very, very impressive effort indeed !
