Jeff Leve - The Wine Cellar Insider : **95-97 Points**

"Inky dark purple in color, you know this is intense from the moment the wine hits your glass. Chocolate, vanilla, blackberry, blueberry, smoke, flowers, licorice, and raspberry notes take no effort to find. There is good lift, loads of crushed rocks, opulent, velvety textures, and layer after layer of chocolate-covered black cherries. This could be the best wine yet from Croix de Labrie!"
