Gómez Cruzado Selección Terroir Panerudo 2019

Genérico (15%)

Panerudo has played an important role in the renaissance of Garnacha in Rioja. Made with fruit from old vines grown on north-facing red clay soils at 650 metres in Badarán, the 2019 has lovely focus and patrician elegance, with serious underlying tannins, stylish 66% new wood, stony reduction and vibrant plum and red cherry fruit. 2024-32
