2020 Gómez Cruzado Selección Terroir Pancrudo

Genérico (14.5%)

Pancrudo is one of the wines behind Rioja's Garnacha renaissance. Entirely sourced from Badarán, it's more "terroir than variety," according to David González. Aged in 65% new wood, but not marked by it, this is elegant, racy and refined, with subtle reduction, fine tannins and layers of plum, raspberry and redcurrant. 2024-30
