I love the perfumed nose of the 2021 Cerro Las Cuevas, from a spectacular ancient vineyard that is being converted to organic farming and is planted with a field blend of 75% Tempranillo, 15% Graciano and the rest Garnacha, Mazuelo and others. It's not a shy wine at 15% alcohol but has very good freshness and acidity, and the alcohol goes unnoticed. It fermented in open vats with indigenous yeasts and matured in French oak barrels for 12 months. 4,966 bottles were filled in May 2023.
