Matured in barrel for 10 months, the 2022 Sancerre Les Boucauds reveals a delicate, pure bouquet of pear, peach, spring flowers, spices and menthol, followed by a moderately weighted, textured and layered palate with bright acids, a lively, fleshy core of fruit and a long, ethereal, mineral-laced finish enhanced by a saline aftertaste. This is a gorgeous rendition of the eponymous parcel composed of clay, limestone and marls.
