## **Valderiz De Chiripa 2023**

Cosecha (14.5%)

De Chiripa is a well-priced, single-parcel red from the La Guindalera vineyard, made with way less oak than in the past. Spicy, textured and intense, it has a firm backbone of tannin, bramble and black cherry fruit and the underlying structure to develop further in bottle.

2026-30
