The pale and delicate red 2023 Una Noche y Un Día was produced with Giró from different north-facing plots from their village. The grapes fermented in open-top plastic bins with 15% full clusters at a slightly higher temperature, then after malolactic, the wine was put in 500-, 600- and 700-liter barrels and had a longer élevage, 14 months. It's perfumed, with floral notes, ripe berries and aromatic herbs. It's powerful, with 14.51% alcohol, a pH of 3.47 and 4.63 grams of acidity, and it's round, juicy, tender and balanced, with very fine tannins and a salty finish. 7,068 bottles produced. There are two lots from the same master blend, bottled in March and May 2025.
